RIDE-ONS

Vari-Speed

044001 13.5/38 LT5 RIDE-ON MOWER 13.5hp Tecumseh Formula OHV engine with *Vari-Speed* Shift-On-The-Go 6 speed selection and is fitted with a 96cm (38") 3-N-1 cutting deck.

Reverse Mowing

RevTEK™ Reverse Mowing Technology allows mowing in forward or reverse until the operator leaves the tractor seat, turns the key back to normal or turns the engine off.

Vari-Speed

044002 16/38 LT5 RIDE-ON MOWER 16hp Briggs & Stratton I/C OHV engine with *Vari-Speed* Shift-On-The-Go 7 speed selection and is fitted with a 96cm (38") 3-N-1 cutting deck.

Step-Thru Chassis

The new step-thru chassis available on the LT5 MTD Ride-Ons makes mounting and dismounting the machine a lot easier.

Vari-Speed

044003 20/42 LT5 RIDE-ON MOWER 20hp Tecumseh V-Twin engine with *Vari-Speed* Shift-On-The-Go 7 speed selection and is fitted with a 107cm (42") 3-N-1 cutting deck.

Deck Engagement and Lift System

The new deck engagement system is a lot simpler and lighter to operate. The new lift system makes changing the cutting height easier.

Key features of the new MTD LT5 Ride-On Mowers include:

- New Step-Thru Chassis to make mounting & dismounting the machine easier
- Heavy duty frame provides strength for long life & durability
- Pivoting front axle allows tractor to ride over uneven terrain while maintaining an even cut
- Separate deck height adjustment lever allows you to customise cut for professional appearance
- 2 Year Warranty if used non-commercially
- Comfortable seat provides excellent support & easily adjusts to your most comfortable position
- Reverse Mowing with MTD's RevTEK™
- Maintenance free sealed battery
