

Hard working Hedgetrimmer

Hedgetrimmer

Model No: SLHT600

Sanli's easy-to-use 600mm hedgetrimmer has been designed to deliver high performance garden trimming at a value price. The clever and convenient swivel handle along with its lightweight, yet durable construction, makes it easy to trim in all those difficult to reach places. Powered by an easy-start 26cc 2-stroke engine and comes complete with a protective cutting bar cover.
